September 2014

Welcome to Winnebago County 4-H!

Thanks for your interest in the Winnebago County 4-H program! In 4-H, young people share, grow, and learn together from various projects, events, and activities in informal situations under the guidance of their families and volunteer adult leaders. 4-H members have fun learning, working, and succeeding together in their clubs, neighborhood, and community.

Members join one of our local 4-H clubs. Clubs typically hold monthly meetings plus many other events throughout the year including community service opportunities, outings, celebrations and much more! Members become more involved as officers and youth leaders where they have the responsibility of planning events and programs. In addition to club meetings, 4-H members enroll in a variety of projects. Projects include arts & crafts, horse, foods, woodworking and many others. Projects are lead at the club level, county-wide level, or through independent study.

The 4-H Slogan, “Learning by Doing,” illustrates the fact that 4-H focuses on teaching life skills through hands-on experiences and activities. These skills include the tangible, such as sewing, photography, dog obedience, or raising a beef steer, which members learn through project work. Life skills also encompass the more abstract abilities such as leadership, communication, teamwork, and cooperation. Members learn these through participation in their club, their project work, participating county education activities, or through county, state, national, or even international opportunities.

We look forward to working with you in the future!
What is 4-H?

4-H is a positive youth development organization that empowers young people to reach their full potential. A vast community of more than 6 million youth and adults working together for positive change, 4-H enables America’s youth to emerge as leaders through hands-on learning, research-based 4-H youth programs and adult mentorship, in order to give back to their local communities.

4-H prepares young people to step up to the challenges in their community and the world. Using research-based programming around positive youth development, 4-H youth get the hands-on real world experience they need to become leaders. Young people who are a part of 4-H have the opportunity to explore all types of science, health, and citizenship programming delivered through 4-H clubs and camps, as well as afterschool.

4-H is the youth development program of the United States Department of Agriculture’s National Institute of Food and Agriculture and the Cooperative Extension System of the nation’s land-grant universities. Wisconsin 4-H is a program of the University of Wisconsin-Extension in partnership with state, federal and county government in each Wisconsin county.

In a safe and enriching environment, 4-H brings youth and adults together to learn everyday skills with hands-on learning. Working on activities from animal and plant sciences to robotics, 4-H’ers learn problem-solving skills that can make a positive impact upon their community. 4-H helps youth:

- meet the diverse challenges of today’s world
- build self-confidence
- learn responsibility
- make positive decisions

In Winnebago County, anyone who is in 5 year old kindergarten to one year past high school graduation can join a local 4-H club and become a 4-H member.
Winnebago County 4-H Clubs – update!
Information is from the 2014-2015 4-H year. Please check with the contact person before attending a meeting as dates, time, and location may have changed.

Updated: June 2014
4-H Emblems and Symbols

*Emblem:*

The national 4-H emblem is a four-leaf clover with the letter “H” on each leaf.

*The Four H’s and Pledge:*

The four H’s stand for *Head, Heart, Hands, and Health*. These four H’s represent the four-fold training and development in which members participate. This meaning of the four H’s is clearly given in the pledge below.

> I pledge …My *Head* to clearer thinking  
> …My *Heart* to greater loyalty  
> …My *Hands* to larger service, and  
> …My *Health* to better living, for my club, my community, my country, and my world.

*The Colors:*

Green and White are the 4-H colors. The white background of the flag symbolizes purity. The green 4-H emblem is nature’s most common color in the great outdoors, and green is also the color of springtime, life, and youth.

*Slogan:*

“Learning By Doing”

*Motto:*

The national 4-H motto is: “To Make the Best Better.”

National 4-H Supply website: [http://www.4-hmall.org](http://www.4-hmall.org)

4-H Terms

4H Online/ Enrollment
For the enrollment system for members and leaders you will need a computer, internet access, a valid email address, and a web browser to input your information. Youth enrolling by March 31, have the opportunity to show at the fair as members of Winnebago County 4-H. Members enrolling after that date can participate in club activities and county educational activities such as summer camps.

4-H Membership
Youth in 5-year old kindergarten through one year past high school are eligible to join 4-H.

4-H News & Views
The every other month Winnebago County 4-H newsletter that is e-mailed or mailed to families and is available on the web at http://winnebago.uwex.edu/4-h-youth-development. The 4-H News & Views provides information about 4-H meetings and opportunities at the county, district, state, or national level offered to 4-H members, leaders, and parents.

4-H Year
The 4-H year starts on October 1st and ends on September 30th the following year.

Activity
4-H activities are short-term educational and/or social experiences that all Winnebago County 4-H members may participate in. Many 4-H activities are also open to non 4-H members.

Cloverbud
Youth in 5-year old kindergarten through second grade enroll in the Cloverbud project. This 4-H project introduces the members to 4-H. These members do not enroll in any other projects.

Constitution & Bylaws for Winnebago County 4-H Clubs & Projects
All 4-H clubs and some countywide projects have a set of written rules for their operation. Each member should become familiar with the Club’s or Project’s Constitution and By-Laws early in the year to learn about your responsibilities as a member of the club organization.

Graduation from 4-H
Graduating from 4-H signifies that a member has successfully completed their career as a 4-H member. Some 4-Her’s graduate the same year as high school graduation; however, individuals have an option to extend membership one year beyond high school graduation.
JPCC
This abbreviation stands for the James P Coughlin Center located at 625 E. County Road Y, Oshkosh. The county facility is home of the Winnebago County UW-Extension Office and serves as the meeting place for several 4-H events and activities.

Membership Dues
All members are assessed $6.00 for membership. This covers insurance, Wisconsin 4-H Foundation donation and project support. Local 4-H clubs may have additional dues and will determine when all of the dues are to be paid.

New Leader Orientation
All adult volunteers must attend a new leader orientation session and undergo a background check before they are allowed to work with youth and serve as a 4-H leader. Sessions will be listed in issues of News and Views, as well as first year leaders being notified.

Project
4-H projects are long-term, educational experiences that only youth enrolled in that project may participate in. Projects are listed on pages 12-17 or online at: http://winnebago.uwex.edu/complete-project-list-2/

Record Book
The Winnebago County 4-H Member Record Book is a great tool for setting goals for the year as well as recording all of your 4-H accomplishments. Record book pages can be found at: http://winnebago.uwex.edu/4-h-youth-development/forms-and-applications/record-book-forms/ 4-H Record Books are turned into your club leaders in August or September.

UWEX
This abbreviation is used to refer to the University of Wisconsin-Extension. 4-H is the youth education program of UW-Extension.

Winnebago County 4-H Leaders Association
All enrolled Winnebago County 4-H youth leaders and adult leaders make up the Winnebago County 4-H Leaders Association. The 4-H Leaders Association meets three times a year at the “All County Meeting”. The 4-H Leaders Association Board of Directors is the executive branch of the Association that provides support for the Winnebago County 4-H Program and meets monthly. For more information on the Leaders Association Board, please visit: http://winnebago.uwex.edu/4-h-youth-development/4-h-board-of-directors/

Wisconsin 4-H Youth Development Code of Conduct
The Code of Conduct sets forth guidelines by which 4-H members should conduct themselves when representing the 4-H Youth Development program. When completing member and leader enrollments through 4HOnline each enrollee will agree to abide by the Code of Conduct.
Who’s Who in 4-H

❖ Club Level

4-H Member
Any youth in 5-year old kindergarten through one year past high school who joins a 4-H club. These members are invited to participate in county level 4-H events and activities.

4-H Organizational Leader
The Organizational Leader is responsible for the organizational part of the club. Some clubs have assistant and/or co-organizational leaders. The leaders seek the help of club leaders and parents to take on leadership responsibilities in the 4-H club.

4-H Activity Leader
An Activity Leader can assume a number of different responsibilities in a club. Some examples include conducting activities and providing leadership with older members in doing service projects.

4-H Project / Resource Leader
A project/resource volunteer leader who helps 4-H members as they learn, make or create something. This person can be a 4-H parent who agrees to help with a project or a person from the community who has knowledge in a particular subject. Once a parent or community member agrees to assume this role, they need to enroll and complete the volunteer orientation.

4-H Youth Leader
4-H members enrolling in the Youth Leadership project can help the younger members in the club, a project area, or other educational activities. They also may serve as a club officer. By doing this they grow, mature, and learn leadership skills.

Parents and/or Guardians
Parents and/or guardians are very important to the success a child will have in the 4-H program. Parents and/or guardians are encouraged to attend their 4-H club meetings, project meetings and countywide events with their child to learn more about 4-H and support their child’s involvement.

❖ County Level

4-H Ambassadors
The 4-H Ambassadors are youth in sixth grade and older who promote 4-H throughout the county. They design and build a float that is at parades throughout Waushara County. These also plan county wide recreational opportunities that have included bowling and dodge ball in the past. Watch the News and Views Newsletter to sign up for this fun group!
4-H Leaders Assn. Board of Directors

Winnebago County 4-H Leaders Association Board of Directors conducts fundraising events such as pizza sale and the dipper at the Winnebago County Fair to support many county opportunities for members, families and leaders to enhance 4-H youth education and development programs at the local, state and national levels.

4-H Project Committees

Winnebago Co. 4-H has committees in the Dairy, Goats, Shooting Sports, Foods, Horse & Pony, and Dog projects. These groups plan and conduct county level educational events, activities, and meetings.

4-H Resource Leader

A volunteer who is willing to answer project or activity questions for other volunteer leaders or 4-H members.

4-H Youth Development Educator and Youth and Science Educator

The two professionals provide guidance, education and oversight of the many 4-H Youth Development programs offered through the UW_Extension office.

Enrolling in 4-H

❖ Youth - General information:

Enrollment in a 4-H club is done via 4HOnline. You will need a computer, internet access, a valid email address, and a web browser to input your information. If you do not have such access at home, consider using your local library to complete your 4-H enrollment. The directions for enrolling are found on pages or online (wi.4honline.com) through a link on the first page of the enrollment process.

Youth must be affiliated with a club before they may sign-up for any projects. A list of all clubs is on pages 3 and 4, or at http://winnebago.uwex.edu/4-h-youth-development.

Grade level is determined by grade in school at time of 4-H enrollment. Youth who are home-schooled must declare a grade. Youth are eligible for membership beginning with 5 year old kindergarten through the one year following high school graduation. If a youth drops out of school, they will be considered as if they had stayed in school and would complete their 4-H membership as the same time their grade cohort would complete their membership.

Youth may add or delete projects until March 31st of the current 4-H year and still represent 4-H at the Winnebago County Fair if they meet all other requirements.

Winnebago County 4-H offers a variety projects and activities. Please be aware that not all project areas have planned educational offerings. There are three levels of support for these projects.
Countywide Level -- a volunteer or group of volunteers have come forward to teach that project to any 4-H members in Winnebago County who are enrolled. The following project areas have county-wide support:

<table>
<thead>
<tr>
<th>Shooting Sports</th>
<th>Horse &amp; Pony</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dairy</td>
<td>Goat</td>
</tr>
<tr>
<td>Dog</td>
<td>Foods</td>
</tr>
</tbody>
</table>

- The list of countywide projects may change during the year. More may be added or removed at any time based on the availability of leaders. Watch email and the 4-H News & Views for additional opportunities throughout the 4-H year.
- Some projects also have leaders and meetings at the club level.
- Some of the countywide projects have dues over-and-above regular 4-H county and club dues and participation expectations.

1. **Club Level** -- there may be a volunteer who is willing to teach or serve as a resource in that project to members of their club who are enrolled.
   - Project support available at the club level vary widely between clubs and also may change at any time during the year based on the availability of leaders. For questions regarding club leaders, please ask your Organizational Leader.

2. **Independent or Individual Study Level** – Due to the number of project areas offered, not all have volunteers on the countywide or club levels to teach that project. In this case, the member is expected to learn on their own with the help of his/her family and appropriate resources such as 4-H literature, the library, community resources or workshops, or the internet.

**Note**

1. **Several projects have informative literature which will be helpful to all 4-Her's.** We encourage you to purchase literature that focuses on your project(s). You may order your literature direct from National 4-H Supply. To order online, their website is: [www.4-hmall.org](http://www.4-hmall.org). A copy of literature available from National 4-H supply is available from the UWEX office to look through before purchase.
4-H Projects

4-H projects are long-term, educational experiences that only youth enrolled in that project may participate. A 4-H project is what a 4-Her learns, makes or does; for example: learn to grow a vegetable garden, build and program robots, sew a dress, or train a dog. Projects vary from aerospace to woodworking, birds to rabbits, and clothing to vegetables. Youth have the opportunity to enter their work at the Winnebago County Fair.

4-H members must enroll in at least one project each year. Members in 5-year old kindergarten through second grade may only enroll in the Cloverbud Project. Starting in third grade, members may enroll in any projects.

Each 4-H club will try to connect project leaders and project members. Project Leaders are to notify members when and where the project meetings will be held. Most projects will require at least three project meetings and often more are held. When there is no Project Leader, the member will be expected to work individually. As a family, you can use the 4-H project literature to guide your learning.

Some 4-H projects hold countywide meetings or educational offerings in addition to individual club meetings. Some examples include: Archery, Dog, Horse, and Goats. The family of a 4-Her should take an active interest in the 4-Her’s project. Assist, encourage, offer advice, but remember, the 4-Her Learns By Doing.

Listed on the following pages are the projects youth may enroll in as a Winnebago County 4-H member. They are in alphabetical order.

A couple of reminders:

1. Youth in 5-year old kindergarten through second grade enroll only in the Cloverbud project.

2. Some animal projects have additional requirements, which will be explained by the Project Committee. Most of them also have their own expectations, special project requirements as to meeting attendance and meet on a county-wide basis (as well as at the Club level). Information will be sent from the UW-Extension office via email or surface mail about meetings of project committees. If you receive an email and have questions, please contact the volunteer leader listed as the contact person or the UW-Extension office.

3. Members must be enrolled by March 31st in order to exhibit at the Winnebago County Fair providing all other requirements have been met.
Adventures
Adventures
Backpacking & Hiking
Bicycling
Canoeing
Fishing
Adventures Leader
Adventure projects include backpacking and hiking, bicycling, canoeing, and fishing.

Aerospace
Aerospace
Aerospace Leader
Learn about aerospace including how to build various types of rockets, planning a flight route, explore aerospace careers, and much more.

Ambassadors
Ambassadors
Ambassadors Leader
Ambassadors is a group for older youth in grades 6th and up who plan and implement countywide events and promote 4-H.

Archery
See “Shooting Sports”

Arts & Crafts
Arts & Crafts
Arts & Crafts Leader
Arts and crafts projects, such as candle making, jewelry making, leather craft, stencil painting, block printing, metal enameling, drawing and painting, folk arts, and any other arts and crafts areas you may be interested in.

Beef
Beef
Beef Youth Leader
Beef Leader
In the 4-H Beef project, members will learn how to identify various beef breeds and parts of a beef animal, halter-break and show a calf; fit and judge beef cattle; and raise a healthy animal.

Note: All market beef must be weighed in on a Saturday, usually the last Saturday in February in order to sell at the Winnebago County Fair.

Cats
Cats
Cats Youth Leader
Cats Leader
Grooming a cat, breed identification, cat health, fitting and showing, nutrition, breeding, careers, teaching others and animal welfare.

Child Development
Child Development
Child Development Youth Leader
Child Development Leader
In this project you will learn about yourself and younger children. You will develop and practice babysitter skills, try fun activities that you can use as a babysitter, and improve the quality of care you give to younger children.

Clothing
Clothing
Clothing Leader
Clothing Youth Leader
Clothes Horse (Equestrian Attire)
In this project you will learn clothing construction and sewing techniques. As you progress, you will enhance your sewing skills beyond the basic and begin to select construction techniques you would like to learn and projects you would like to make.

Cloverbuds
(5 year old Kindergarten through 2nd Grade)
Cloverbuds
Cloverbuds Youth Leader
Cloverbuds Leader
This educational project is for youth in 5-year old kindergarten through 2nd grade. Discover 4-H through experience in expressive arts, mechanical science, environmental education, personal growth, animal science, and many more. Cloverbuds are not allowed to work with animals in a public setting including showing animals at 4-H shows including fairs, but are encouraged to enter non-animal exhibits.
Communication
Communications Leader
Speaking Leader
Creative Writing Leader

We communicate all day, everyday in various ways. Learn more about communication including how to become a confident communicator, giving an effective speech, or the use of language for creative expression.

Computers
Computers Leader

Beginning members will learn to identify parts of a computer, use a keyboard, use a mouse, clean a computer, evaluate software, produce documents, learn on-line safety, search the Web, and more. More advanced members will learn how to use the internet for research, get an e-mail address, use desktop publishing, build a computer system, and use spreadsheets, etc.

Consumer Savvy
Consumer Savvy Leader

Learn how to be a smart shopper including learning your shopping style, knowing the difference between wants and needs, and writing a savings and spending plan.

Crocheting
Crocheting Leader

Discover what to consider when buying yarn, crochet thread, crochet equipment. Learn crocheting, finishing techniques, and how to care for crochet items.

Crops
Crops Leader

Crops project includes corn, forage, and small grains.

Dairy
Dairy Leader
Dairy Youth Leader

Learn how to select, feed, manage, breed, fit, show, evaluate, and market a dairy animal. Activities include identifying dairy breeds, keeping a cow healthy and safe, exploring the needs of dairy animals, and learning about dairy organizations.

Dog
Dog Youth Leader
Dog Leader

Learn how to train and show your dog. Project members must be in 3rd grade or above and own or have access to a dog for weekly training. All dogs must meet current 4-H vaccination requirements. Educational meetings begin late fall/early winter. Dog training for obedience and showmanship begins late May and runs once a week until early August.

Electricity
Electricity Leader

Understand how to use electricity, identify electrical materials, wire circuits, and learn how to solder and prepare parts for assembly.

Entomology
Entomology Leader

Learn about insects including their behavior and life history; discover the parts of an insect’s body, and investigate entomology careers.

Entrepreneurship
Entrepreneurship Leader

Practice the skills needed to be an entrepreneur, explore businesses, products, marketing and pricing, and create a business plan and start your own business.

Exotic Animals
Exotic Animal Leader

Explore the variety of exotic animals and how to care for them.
Exploring
Exploring Leader
This project is for youth in grades 3-5 to learn about the 4-H program while sampling a variety of projects offered in 4-H.

Flowers
Flowers Youth Leader
Flowers Leader
Grow annual and perennial flowers. Start annuals indoors and make flower and bouquet arrangements.

Foods
Foods Youth Leader
Foods Leader
Learn more about what you eat and ways to prepare different foods including with the microwave. You can learn how to modify recipes for healthy living, make your own recipes, plan meals and menus.

Food Preservation
Food Preservation Youth Leader
Food Preservation Leader
This project focuses on making jam, freezing, canning, pickling, and drying foods. Learn how to preserve food safely and about proper storage requirements. Ask the UW Extension Office for literature pertaining to specific food preservation areas (i.e. pickles, fruits, vegetables) or visit the publications website at http://learningstore.uwex.edu/

Geospatial
Geospatial Leader
Discover ways of thinking about geographic positions and learn about navigational tools, such as GIS, GPS and compasses.

Goats
Dairy Goats Youth Leader
Dairy Goats Leader
Meat Goats
Meat Goats Leader

Pygmy Goats
Pygmy Goats Leader
Activities will include meetings and workshops designed to help members learn how to select, feed, manage, breed, fit, show, evaluate and market goats and goat by-products.

Note: All market goats must be weighed in on a Saturday, usually the first Saturday in May in order to sell at the Winnebago County Fair.

Health
Health Leader
Practice first-aid skills to treat basic injuries, learn how to respond to someone who is choking, assemble a first-aid kit, and identify your personal talent areas in health care.

Home Environment
Home Environment Youth Leader
Home Environment Leader
This project begins with the organization and design of a bedroom. In more advanced levels the member will learn design fundamentals, and concepts of interior design.

House Plants
House Plants Youth Leader
House Plants Leader
Grow foliage and flowering plants, propagate them from leaf and stem cuttings, fertilize and water plants and recognize and control insects and diseases.

Horseless Horse
Horseless Horse Youth Leader
In this project you don’t have to have a horse or pony of your own. You need a desire to learn about horses. Explore horse behavior, terms, breeds, identification, body parts, selection, grooming, saddling and bridling, safety and equipment, and much more.

This project is open to 4-H members who do not own, lease or manage a horse. Leasing and Managerial is the ability to have full use of a
horse or pony. That is the horse project NOT Horseless Horse.

**Horse**
Horse
Horse Youth Leader
Horse/Horseless Horse Leader

So, you want a horse. Great! What breed, type, color and physical markings would you like? Are you ready for daily care like grooming, feeding, stable care, foot care and safety? Learn the right equipment and riding skills; all a part of the 4-H Horse/Pony Project. This project is open to 4-H members who own, lease or manage a horse or pony. Leasing and managerial-access or use of another's animal is considered the Horse Project, not Horseless Horse.

**Knitting**
Knitting
Knitting Leader

Find out what to consider when buying yarn and knitting equipment. Learn knitting and finishing techniques.

**Model Horse**
Model Horse
Model Horse Youth Leader
Model Horse Leader

Learn about the hobby of Model Horses including collecting, painting, making of tack, and participating in “Live” Model Horse shows. The ultimate goal is to display the miniature model horse as close to real life as possible.

**Music**
Music
Music Leader

Gain a greater appreciation for music, explore different ways to participate, and listen, perform and compose various types of music.

**Personal Finance**
Personal Finance
Personal Finance Leader

Learn money management skills, learn how to live on a budget, learn about wants and needs, values and goal setting, and explore ways to use and save money.

**Pets**
Pets
Pets Leader

Explore your favorite pet or select a pet, learn to provide a safe environment for your pet, and learn how to select and care for your pet.

**Photography**
Photography
Videography
Photography Youth Leader
Photography Leader

This project will show you how to care for a camera, basic composition and camera use. Advanced members will learn lighting techniques, creative use of camera controls and complex composition.

**Plant Crafts**
Plant Crafts
Plant Crafts Leader

Learn how to harvest plants, use different drying techniques, and learn how to make dried arrangements, corsages, etc.

**Poultry**
Poultry
Turkeys
Bantams
Poultry Youth Leader
Poultry Leader

The poultry project will help members learn how to select, feed, manage, breed, fit, show, and market your bird. It includes ducks, geese, turkeys, chickens, bantams, and pigeons.

**Rabbits**
Rabbits
Rabbit Youth Leader
Rabbits Leader

Learning activities include identifying rabbit breeds, learning how to handle and show a rabbit, learning rabbit genetics and breeding, housing and care, planning and making a rabbit nest box, showing rabbits, and exploring careers related to rabbits, and more.
Robotics
Robotics
Robotics Leader
Explore the fascinating work of robotics including their form, function, and design; build robots from everyday items; and the basic elements of programming and instruction.

Scale Models
Scale Models
Scale Models Youth Leader
Scale Models Leader
Learn how to assemble and create scale models of trains, trucks, cars, ships, motorcycles, submarines and tanks.

Self Determined
Self-Determined
Self-Determined Leader
A self-determined project gives you the freedom to create your own project or expand a traditional one. Identify learning goals, outline your plan, identify resources, carry out, and evaluate your plan.

Sheep
Sheep
Sheep Youth Leader
Sheep Leader
Learn how to select, feed, manage, breed, fit, show, evaluate, and market sheep.

Note: All market lambs must be weighed in on a Saturday usually the 1st Saturday in May in order to sell at the Winnebago County Fair.

Shooting Sports
There is countywide instruction in:
Air Rifle
(eligible to all 4-H youth)
Archery
Archery Youth Leader
Hunting & Ecology
(do not need enroll; all are asked to attend sessions)
Rifle
(See powder-burning policy below)
Rifle Youth Leader
Shooting Sports Youth Leader
(This includes both Archery and Rifle)
The following project areas do not currently have leaders for them. You would need to be instructed by your parents:
Shotgun
Muzzleloading
Air Pistol
Pistol
These projects are an introduction to archery and firearms, safe handling, ammunition, sighting and marksmanship, shooting form, and caring for your equipment.

Powder-Burning Policy: According to state policy, 4-H youth must be 12 years of age to operate any powder-burning firearm. This includes, but is not limited to .22 handgun or rifle, muzzleloader, handgun or rifle, or shotgun. Hunter Safety is also required in our county for any powder-burning firearms.

Adult Leaders for any of the above disciplines are asked to sign up for the following project:
Shooting Sports Leader
(Even if you are not yet certified, you can assist.)

Note: All leaders must be certified through State 4-H Volunteer program (Youth Protection by the county) and participate in a state shooting sports workshop before offering 4-H Shooting Sports as a project. An example of this is someone getting a current certification for Shotgun, before offering a class. Workshops are held each year. Check with the 4-H web site at http://4h.uwex.edu/onlinpro/shooting/index.cfm

Swine
Swine
Swine Youth Leader
Swine Leader
In the 4-H Swine project, members will learn how to identify various swine breeds and parts of a hog, practice fitting and showing, and raise a healthy animal.

Note: All market hogs must be weighed in on a Saturday, usually the first Saturday in May in order to sell at the Winnebago County Fair.
Theater Arts
Theater Arts Youth Leader
Theater Arts Leader
Learn about acting, makeup, costumes, sets, writing a script, planning a theater game, story dramatization and group improvisation.

Tractor
Tractor Youth Leader
Tractor Leader
This project covers the many parts of a tractor, from nuts and bolts to the instrument panel. Learn about tractor safety, engine oil, mixing fuel and air, how to give regular maintenance, safety checks and safe driving.

Vegetables
Vegetables Youth Leader
Vegetables Leaders
In this project you will explore basic gardening practices, getting to know your soil, planning, preparing, planting, and caring for your garden. Explore harvesting and marketing methods. Study how to raise vegetables organically.

Veterinary Science
Veterinary Science Youth Leader
Veterinary Science Leader
Learn how to recognize a normal, healthy animal from its attitude, behavior and appearance. Also, learn about animal diseases and the influences on animal health.

Woodworking
Woodworking Youth Leader
Woodworking Leader
Learn how to trace patterns, measure, mark, cut, nail, glue, sand and finish while making projects from wood. Use power tools, identify wood types and make great projects to use around the house.

Workforce Readiness
Workforce Readiness Youth Leader
Workforce Readiness Leader
Explore what it takes to get your first job, discover how to assess job possibilities in the community, create job scenarios, and recognize your learning styles and personal qualities.

Youth Leadership
Youth Leadership Youth Leader
This project will help you develop leadership skills by chairing committees, leading activities, helping adult leaders plan and lead a project in which you have established skills, and planning events of your choice.

Club Leadership
Club Organizational Leader
Co-Organizational Leader
Club Enrollment Coordinator
Activity Leader
Youth Leadership Adult Activity Leaders assist the club in non-project activities and events.
4-H Activities and Events

Each club may have special activities throughout the year. In addition there are countywide activities and events that 4-H members may participate in. The listing below is only a partial listing. Many other project-related activities and events are held annually. All events are listed in the 4-H News and Views.

Camping

A variety of activities and learning experiences await summer campers including crafts, swimming, campfires, evening programs and more at Camp Upham Woods, at Wisconsin Dells, Wisconsin.

*Outpost Camp* is a four day, three night camp for youth presently in 6th, 7th, and 8th grades. Get back to nature, learn leadership skills, tent camping, canoeing, swimming, hiking, making food over the fire, and making new friends.

*Base Camp* is for youth presently in 3rd through 8th grade. Base Camp is a great place for cabin camping, swimming, hiking, canoeing, crafts and making new friends. Base Camp counselors must be 14-years-old as of camp.

You do not enroll in Camping. It is an activity. Watch the 4-H News and Views for camping registration information or check the Winnebago County 4-H website for camp registration forms, usually in April.

National 4-H Week

The first full week in October is set aside each year to recognize and promote 4-H across the country. Each year a theme highlights the week.

Officer Training

This is held annually for club officers to provide them with ideas and helpful hints about their jobs and responsibilities.

Oratorical Speaking Contest

Open to youth throughout the county. Participants prepare and present a speech or demonstration that is evaluated by a judge. The event is usually held the last Tuesday in February at Webster-Stanley Middle School, Oshkosh. Registration forms will be available on the 4-H website. This event is co-sponsored by the Oshkosh Noon Optimists and Winnebago County 4-H Youth Development Program.

Winnebago County Fair

The Winnebago County Fair is held annually in August. The Winnebago County Fair is great opportunity for 4-Hers to display the items made in their 4-H project and/or to exhibit project animals. This is a major event where many people see what 4-Hers do.

All exhibits (except many animals) are judged by the “face-to-face” judging system. With this system, for every exhibit each 4-H member talks directly with the judge. The member’s age and experience are taken into consideration in the final placing. The placings include: Blue – 1st, Red – 2nd, White – 3rd, and Pink - 4th. Yellow-“Merit Award” ribbons are presented to a selected number of outstanding exhibits.
4-H Awards and Award Trips

4-H Key Award
4-H members who are at least 15 years of age, been in 4-H for at least 3 years, and have been in the youth leadership project for 3 years are eligible to apply. Each county is allotted a maximum number of 4-H Key Award recipients, which is 2% of their older youth enrollment.

Winnebago County 4-H Alumni Award
This special award recognizes a former Winnebago County 4-H member who has gone on to use 4-H skills in their success. Current contributions to 4-H may help to identify the candidates, but are not required for selection.

Friend in 4-H
A 4-H individual or group making outstanding leadership or service contribution to 4-H is recognized with the Friend in 4-H. The nominee must be currently enrolled as a leader or member.

Friend of 4-H
A person or group outside of 4-H making an outstanding contribution to 4-H leadership, service, or other support is selected annually as the Winnebago County Friend of 4-H. The “Friend of 4-H” is not currently enrolled in 4-H. In addition, the individual should have meaningful involvement in 4-H and be committed to the philosophy of 4-H.

Volunteer of the Year
An individual who has done an exceptional job as a volunteer in the past year is recognized as the Volunteer of the Year.

Space Camp
A five-day bus trip to Huntsville, Alabama to explore the fascinating world of aerospace, astronomy, and technology is offered the end of April with registrations due in December. The trip is open to 4-H members in grades 6-8 with the maximum age is 15 at the time of trip. Youth apply and interview for this opportunity. The 4-H Leaders Association provides a partial scholarship to those selected.

American Spirit
A nine-day bus trip to Philadelphia, Boston, New York, Niagara Falls, Lexington to help delegates increase their understanding and appreciation of American Heritage. Youth delegates are in grades 8-10 and are strongly encouraged to attend Wisconsin 4-H & Youth Conference before attending 4-H American Spirit. Youth apply and interview for this opportunity. The 4-H Leaders Association provides a partial scholarship to those selected.

Wisconsin 4-H Youth Conference
A four-day 4-H conference held annually on the UW-Madison campus for members in grades 7 – 10. Youth apply and interview for this opportunity. The 4-H Leaders Association provides a partial scholarship to those selected.
Citizenship-Washington Focus
A week long citizenship and educational experience held at the National 4-H Center, Washington, D.C. Open to 4-H members in grades 10 - 12. Youth apply and interview for this opportunity. The 4-H Leaders Association provides a partial scholarship to those selected.

National 4-H Congress
This six-day trip in November is an opportunity for service learning and leadership for youth. The trip is open to youth in grades 10-12. National 4-H Congress trip takes place in Atlanta, Georgia. Youth apply and interview for this opportunity. The 4-H Leaders Association provides a partial scholarship to those selected.

National 4-H Conference
Apply to be one of the six Wisconsin youth to spend a week in Washington to attend this working conference held at the National 4-H Center. Each participant selects an issue (i.e. education, promotion, environment, violence) and works with other youth from across the country to develop plans that help direct future 4-H programming. Youth must be in grades 10-12 of the program with a maximum age of 18 as of January 1 of the travel year.

Scholarships
The Winnebago County 4-H Board of Directors annually awards scholarships for educational experiences beyond high school to Winnebago County 4-H members. The Paul Stevenson and Judie Gruzynski Memorial Scholarships are also awarded annually to 4-H members pursuing further education.
Re-Enroll Members/Leaders

Created: July 15, 2014

OVERVIEW
This document explains the process of a family re-enrolling members and leaders in 4HOnline.

GETTING STARTED
To get started with the re-enrollment process, log into 4HOnline with your family email and password.

On the family home screen, click on the orange button labeled Continue to Family.

On your Member/Volunteer list, find the family member you wish to re-enroll and click on Edit next to their name.

RE-ENROLL
At the bottom of the next screen, click on the button for Enroll for 2014-2015.

You will now see the Personal Information that you entered when you first enrolled. Look over the information and make any corrections. When you are done, click on Continue.

Next is the Additional Information screen when you will need to accept the agreements and answer the Photo Release and Accommodations questions. Click Continue when done.

The Health Form for members is optional at enrollment, but you could be asked to complete it in the future if you attend any events that require one. Click Continue when done.

If you are an adult volunteer and see the Volunteer Screening page, then it has been 4 years since the last time a background check has been completed. You need to check over the answers to the questions and correct as needed. This page will only appear every 4 years. Click Continue when done.

On the Participation -> Club screen, confirm the correct club is listed. If you serve in a volunteer role (but not as a project leader) click on Edit and select the volunteer type. Click on Update to save the change. Click on Continue when done.

On the Participation -> Projects screen, confirm all the projects you are enrolled in are listed. Add any missing projects. If you are dropping a project, click on Edit for that project and then click on Delete. After making sure all your projects are listed correctly, click on Submit Enrollment.

University of Wisconsin, U.S. Department of Agriculture and Wisconsin counties cooperating. UW-Extension provides equal opportunities in employment and programming including Title IX and ADA.
Enrolling in 4HOnline as a NEW family

Family profile and member information should be entered by a parent/guardian unless the member enrolling is 18 years or older.

Your county Extension office staff can help you find a club, get the forms you need, and begin the enrollment process in 4HOnline.

To enroll in Wisconsin 4HOnline, you need a computer, internet access, a valid e-mail address and a web browser.

Go to http://wi.4honline.com (notice there’s no “www” in that address). After carefully reading the instructions at the top of the page, you are ready to begin entering your family information.

Note: To move between boxes, you need to use your mouse or the TAB key. Don’t press the ENTER key or click on the BACK ARROW – you will lose any information that you have entered. Information on each page is saved when you click on the “Continue” button.

1. Click “I need to set up a profile”. A drop down menu will appear. Select the county you want to join, then type in your valid family e-mail address.

   The E-mail address entered will be the account login for the entire family. It must be valid in order for you to have access to your enrollment information.

2. Confirm your e-mail address

3. Type in your parent/guardian/household’s last name. (This will be the name that appears on mailing labels—“The Johnson Family” for example.)

4. Create your password – must include letters and numbers/symbols with a minimum of 8 characters.

5. Click on “Create Login”
Family Information Page

1. Fill in all your personal information correctly and completely to create your family profile. Make sure that you choose your correspondence preference for either “Mail” or “Email”.

2. Do not check the “Update member records with the same address” box at this time.

3. Click on the “Continue” button at the bottom of the page.

   **Note:** The Password Management section is only used when you want to set a new password. You do not need to enter anything there at this time.

Member List Page

1. You are now at the “Member List” page. In the drop down box under “Add a New Family Member”, select “youth” and click on “Add Member”.

   **Note:** The event registration section on this page is not available for use at this time.
Youth Personal Information Page

Fill in all information for this member correctly and completely.

1. If he/she has a different e-mail address than the family one entered at login, enter it in the top box.
2. Enter his/her legal name.
3. For the “Years in 4-H”, enter “1” if this is the first year. Otherwise, enter the number that reflects your experience. For example, if this is the beginning of your fifth year in 4-H, enter 5.
4. If there are parents/guardians that live in a different residence, enter their mailing information under Secondary Household.
5. Is the member a youth leader, junior leader volunteer? Select “yes” or “no”.
6. Ethnicity – If you consider your child to be a part of the Hispanic culture, mark “yes”. Then check one or more of the boxes pertaining to race.
7. Choose your residence.
8. Complete the Military Service of Family section only if it applies.
9. School Information – choose your county from the drop down menu first, then select your child’s school. If your school is not listed, click on “If you are unable to locate your school…” and enter the school name and type.
10. Select your child’s current grade in school.
11. Click on the “continue” button at the bottom.

Note: Bolded items are required to continue to the next screen. Missed items will be highlighted in pink to help you identify any missing information.
Additional Information Page

Please read each statement on this page carefully. Completion of each of the agreements is required for participation in the program. It is important to understand that checking the boxes to agree is considered your e-signature and it has the same legal force and effect as your hand-written signature. Questions pertaining to the agreements below can be addressed by contacting your county 4-H Youth Development Educator. A link to their contact information can be found at www.uwex.edu/ces/cty.

Complete the five following authorizations:
- Assumption of Risks
- Hold Harmless, Indemnity and Release
- Consent for Emergency Treatment
- Code of Conduct
- Photo Release

After completing each of the five authorizations, click on the “continue” button.

Note: The “continue” button will take you to an optional health form. It is not required at the time you are enrolling, but will be required to participate in certain events and activities. After you have completed the form once, the information will be retained. You can return to 4HOnline to update information that may have changed since the last time it was completed. Scroll down and click on the “continue” button if you do not want to fill it out at this time.

This is the Clubs/Projects/Groups page, where you will select a 4-H club and projects for the current 4-H year.

On the Clubs tab:
1. Select the correct club from the drop down menu and click on it.
2. Be sure to click “Add Club”.
3. Click the “Continue” button.
On the Projects tab:

1. Under “Select a Project” click on the drop down menu and select the first project for this youth.
2. “Years in Project” – must have 1 for 1st year members. For returning members, enter the number that reflects your experience. For example, if this is the beginning of your second year in the project enter 2.
3. Click on “Add Project”.
4. For each additional project that you want to add, repeat the steps above.

After you have entered all your project(s), click on “Submit Enrollment” and you are done!

Entering Additional Youth or Adult Leaders in Your Family
If there is another youth (or an adult leader) in your family enrolling in 4-H, repeat this process for them. There is an option to “copy parent information from another youth record”. Using that option will shorten the process for entering additional youth.

Enrollment Approval
After your enrollment has been submitted, it is sent to your club leader and county UW-Extension office to be approved. If there are any problems with your enrollment, such as incorrect or missing information, you will get an e-mail asking you to complete the missing information and resubmit the enrollment. If there are no problems, you will receive an e-mail stating that your enrollment has been accepted. E-mails related to your enrollment will be sent to your family e-mail address. If you do not receive an e-mail from 4HOnline in your inbox, please check your junk mail folder.

Use 4HOnline Throughout the Year
Keep your login (family email address) and password handy so that you can log in to the program and update your records whenever you need to. You will have access to your online record throughout the year to update personal information, look up your family members’ enrollment in clubs, projects and leadership roles, read newsletters, receive announcements about 4-H activities and more.
